Disappointed

By Ralph Dejean

I ordered this book as a supplement to the new high intensity workout but the way it is laid out it doesnt feel like it is giving you a real game plan for HIT

2 of 6 people found the following review helpful.

has helped me build mass more than any other advice

By A Customer

This book has helped shape my workouts into successful mass building workouts

0 of 0 people found the following review helpful.

excellent

By Joel Trombley

5 stars because if you don't know about high intensity training and need to know about the exercises this book will help you to understand.
