Most helpful customer reviews

6 of 6 people found the following review helpful.

complete pictures, explanation and graphs

By Jane in Milwaukee

Alas, my book is falling apart! The color plates are coming out because I like to browse them so much. The designs here are authentic and there is a good discussion of the origin of the designs whether Persia, the Caucasus, Afghanistan or Baluchistan. The author identifies even the tribes. He discusses how the graphs can be used for needlepoint, cross stitch, afghans or even actual rugs. Highly recommended. I would also recommend the following as companion books:

Needlepoint Designs from Oriental Rugs

Persian Rug Motifs for Needlepoint: Charted for Easy Use

Oriental Carpets in Miniature: Charted Designs for Needlepoint or What You Will
