So Helpful, Highly Recommend

By twinmomandmore

Dr. Charles Stanley does such a great job with having a tender heart of compassion as he (and the the Holy

Spirit) leads us to understand ourselves better and to correct how we sometimes wrongly think about ourselves. If you are willing to be vulnerable and need a little help getting out of a rut or need encouragement, get this study! I found it eye opening, healing, and hope giving. It's a great tool as you look for answers, understanding, and help in the healing process (no matter how old past hurts may be).
