It is really various with the standard method by going to guide store around your city.

BEFORE IT'S ALL FORGOTTEN : A COLLECTION OF RECIPES ENCOMPASSING TRADITION AND CREATIVITY BY SELLAMUTTU, SHIVAHARI PDF

'Before it's all forgotten' is the title of this special cookery book by Shivahari Sellamuttu. It is special because it takes readers not only through the delicious cookery of the north of our country, but to Jaffna itself. Jaffna is described, with dedication and love, as it was through her eyes and ears, in all the time it was her home, during those memorable, unforgettable years of her schooldays. The indelible imprint of those childhood years, influenced Shivahari to make cookery the major role in her life and she began a restaurant, named 'Shivahari's' in Melbourne, when she migrated to Australia in the 1970's. The difference in this cookery book is that one learns not just the specialities of northern cuisine, but also much about her parents and grandparents on both sides of her family. Her favourite childhood pastime had been spent in their kitchens, learning to cook and imbibing those special aspects of treasured family recipes and the little tricks of that particular interest. Each chapter in the book is preceded by anecdotes, connected with the recipes, which have remained as special memories through her journey in life.

memories of childhood

By vino

Going through the recepies and the stories brought back memories of the times my sister and I spent with Shivahari and her sister both at her home and ours. I do remember the wonderful food at her home. Thank your for the autographed copy.
