This guide is a resource that can help you get to a higher rank in Matchmaking, succeed in the league of your choice, or just make you a more rounded player wherever you choose to play. I, the author of this guide, am not a professional Counter Strike player, past or present, and do not pretend to be. I am however the highest rank in this game, and a 7 year veteran of CS. Over my time playing I have come to learn exactly what makes a good player, and can teach these skills to you. Reading this guide will not guarantee your rank up, but if you follow closely and take my advice it's extremely unlikely you do not improve. Every level of player can take something away from this guide. I will start out with basic settings and breakdowns in the game which advanced players might be inclined to skip. If you read this guide I highly suggest reading it in it's entirety.? Skipping sections might make you miss valuable information. Counter Strike is a beautifully tactical game when played right and succeeding is one the better pleasures in online gaming. Buying this guide will take you there.
