En algún momento de su vida, todos los cristianos nos enfrentaremos a un ataque satánico: un asalto enérgico del diablo con el propósito de dañar nuestro espíritu, alma o cuerpo. Dios quiere que los cristianos estén bajo su control, pero el enemigo nos quiere bajo su influencia, y hará todo lo posible por destruir todo lo bueno en nuestras vidas. Así que la pregunta no es cómo evitar los ataques satánicos, sino cómo vencerlos.

Satanás no es omnipotente, aún así, es un adversario muy poderoso. Sin embargo, Dios no nos abandona a nuestra propia defensa, y quiere que entendamos su poder sobrenatural y su habilidad ilimitada para ayudarnos. El doctor Stanley mostrará a los lectores cómo alcanzar la victoria:

- Identificando al enemigo
- Vistiéndonos con toda la armadura de Dios y resistiendo
- Liberando la energía de Dios, su divino poder y protección a través de la oración
- Detectando los avisos de prevención de los ataques satánicos en las áreas de las finanzas, la familia, las relaciones o la salud

La guerra espiritual se pelea diariamente en el campo de batalla de su mente. El adversario sabe que si puede influir en sus pensamientos y dirigirlos, es sólo cuestión de tiempo para que usted sea vulnerable a la seducción del pecado. El doctor Stanley enseña que para resistir los ataques de Satanás, usted debe meditar en principios bíblicos y tomar cada pensamiento cautivo, armándose con la espada del Espíritu: la Palabra de Dios.

Every Christian should read this book

By Maria L. Bonilla

I believe that every Christian should read this book. We all talk about an enemy exists, but HOW does he attack is not often talked about. This book is a great reference that everyone can understand.

One thing that I do have to say is that you have to be spiritually prepared for this book. Our book club read this book and the first thing that I told them was to be spiritually prepared. The reason I say this is because as you read this book, the enemy starts to attack, but you can get through it and come out victorious in knowing who the enemy is and how he attacks.
