Good attempt...

By Amazon Customer

The story wasn't that bad, but the errors and typos were so numerous and distracting that I started feeling pissed off and I almost didn't bother to read act 3 at all. After a while, because of the way this was written, I couldn't tell whether Santino knew Brown was a cop... Also, Hill's real name changed from Hill St. Claire to Shane Hill (WTF)?

Good read, however

By Rita Johnson

Good read, however, a lot of grammatical errors and confusion of person.

Examples: Through instead of threw

Confusion of person in story speaking of him however, stating her.

A lot of proof reading needed with the story.

A criminal who sells women into slavery and a law enforcement agent undercover falls in love with the same modern dancer that works for a burlesque club own by the Santino the criminal.
