This is why we give you the very best method to obtain guide **Fight Like A Girl: 50 Feminists Who Changed The World By Laura Barcella** currently!

From School Library Journal

Gr 8 Up—This title achieves a snappy portrayal of feminist history by focusing on 50 world-changing feminists. Barcella uses each minibiography as a place to define and explore the many ways people practice feminism. The list includes trans, black, Middle Eastern, Native American, and other women from across history (though it's light on Latina and Asian women), covering the arts, politics, sports, science, and other disciplines. Barcella examines both "big-name" feminists and lesser-known women. Similar in format to a zine, this work has a conversational tone that doesn't shy away from swear words or movement vocabulary. For each woman, there is a claim to fame listed that is in relation to her career and country of origin, followed by a couple of paragraphs on her life and legacy, ending with "Cool Credentials" (bullet points with some highlights from her life) and "Quotables" (a few quotes by the person profiled). The art and graphics are irregular; most of the women profiled get their own line-drawn portrait, a few receive only a drawing representing some aspect of their life, and some get nothing at all. The bibliography is immense but serves as the only back matter to this volume. The book could have benefitted from a glossary in the front, as it explains terms (such as intersectional feminism and Marxism) as they come up, but a framework for the terms used often (oppression) could have been valuable. This is a good selection for teens who like MTV's *Decoded* or BuzzFeed lists or who, like the author, are inspired by rallies and social justice heroes. VERDICT A worthy introduction for the feminist teen and an excellent choice for Women's History Month and other targeted collections.—Lisa Nowlain, Darien Library, CT

Review

"The feminist history book everyone should read. . . Way cooler than any history book. . . Meant to be fun enough for both teens and adults to get into, the book educates readers not only about women's rights, but also race and transgender rights, all of which are intertwined."—Metro US

"Written for a young-adult audience, but it's worth a read at any age. . . The real treasure of this book is the bibliography. . . [It] will inspire further feminist exploration for years to come."—Bust Magazine

“[A] snappy portrayal of feminist history. . . A worthy introduction of the feminist teen and an excellent choice for Women’s History Month.” --School Library Journal

"The inclusion of trans women, celebrity performers, and women who assert a lack of comfort with feminism add to the book’s inclusivity and make it even more likely to spur stimulating discussions."--Booklist

“[C]ombines profiles of influential women, from Mary Wollstonecraft to Beyonce, with portraits, sidebars and memorable quotes.”--Tampa Bay Times

"Although *Fight Like a Girl: 50 Feminists Who Changed the World* is written especially for young adults and teenagers, adults will also find this biographical-snapshot compilation of women who dared to make the world a better place enlightening. . . Highly recommended.” --Children's Bookwatch

“[C]oncise but eloquent. . . [A] wide-ranging tribute to trailblazing women.”--Publishers Weekly

About the Author

Laura Barcella is a freelance writer and editor from Washington, D.C. She is a contributing editor at xoJane and a contributing writer at The Fix. She edited *Madonna & Me: Women Writers on the Queen of Pop*, an anthology of essays about Madonna by women writers, and is the author of a pop culture guide to the apocalypse called *The End: 50 Apocalyptic Visions From Pop Culture That You Should Know About... Before It’s Too Late*. Laura has written features, profiles, essays, and more for Salon, Esquire.com, the Village Voice, Cosmopolitan, Elle.com, Refinery29, the Chicago Sun-Times, Time Out New York, AlterNet, BUST, Elle Girl, CNN.com, and NYLON. An expert on pop culture, feminism, and lifestyles, she lives in San Francisco, California.

You will certainly not regret it. This soft documents e-book [*Fight Like A Girl: 50 Feminists Who Changed The World By Laura Barcella*](#) could be your buddy regardless.

FIGHT LIKE A GIRL: 50 FEMINISTS WHO CHANGED THE WORLD BY LAURA BARCELLA PDF

Nearly every day there's another news story, think piece, or pop cultural anecdote related to feminism and women's rights. Conversations around consent, equal pay, access to contraception, and a host of other issues are foremost topics of conversation in American media. And today's teens are encountering these issues from a different perspective than any generation has before—but what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* introduces readers to the history of feminist activism in the U.S. in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the feminist cause today.

By CCC3

Love the content - issues with the "readability" which took away from my reading enjoyment. Why am I unable to change the font type and font size on my kindle? I have horrible vision and being able to increase the font size for ease of reading is very important to me, and I've never had this issue with a book purchased for my kindle (over 600 in my library).

Completely in love with this book

By Massiel

Completely in love with this book. Barcella does an excellent job at shedding light on a lot of feminist warriors that sometimes have been left out the dominant feminist narrative (I'm looking at you, Pauli Murray). The feminist icons explored in this book are so diverse that any girl or woman (no matter her condition) can feel empowered and represented by their stories. Definitely a must read!

... a long time I've been looking for a book like this one

By Cynthia Kane

For a long time I've been looking for a book like this one. What I loved was learning about women I didn't know, who aren't always in the media, who have had a profound impact on society and feminist culture. The structure of the book makes it easy to read and the juicy details that Barcella reveals make the stories of these

women's lives easy to remember.
