a darling book

By Michael Lewyn

I bought this for a guinea-pig owning coworker, and read it myself. It is just adorable, full of cute pictures and pithy sentences. After reading it, I was tempted to get a guinea pig myself, which is about the highest praise one can give a pet book.

Guinea Pigs Don't Read Books

By A Customer

Yes, but those who are owned by guinea pigs DO and this book is a MUST MUST MUST. It's not just a cute picture book about cute animals and the things they can or can't do, it's a mantra, a stress releiver and a guarenteed giggle for anyone with a piggie (cavy) guiding their lives. And, oh yeah, there's some practical info on cavy care, and what to expect from their piggy, too
