I Love this devotional book

By Amazon Customer

I Love this devotional book. It is a VERY BEAUTIFUL hardcover book that I just love having in my hands to read. I have other devotionals but, this is the first one that doesn't PREACH to you but, SPEAKS to you in a way that is very down to earth and very heartfelt. The only thing is, I wish I had a CUP or a MUG to match it to have a cup of coffee while reading it and meditating. You will thoroughly enjoy this book if you

purchase it, I have.
