Thoughtful and insightful explanations of our present moral and cultural decay

By dagny

Jack Chick and David W. Daniels have been HUGE with my understanding how present day events erode our moral compasses without our even realizing it on occasion. We have been brainwashed to believe that many predicaments occurring around us are, on the surface, "harmless", when in truth they are anything BUT.

I am thankful to Chick and Daniels for all their publications, as these have helped my own spiritual growth as a KJV Bible and God believing Christian, for without them, my road may have been a bit rockier. Thanks Gents!!

Very Good

By Amazon Customer

Great book that all true Bible believing Christians should read. Our church leaders need to preach these topics and get off the "love gospel" which is not setting anyone free. Paul said I preach Christ and Him crucified. That's what sets men free.
