IDENTITY BY ERIC GEIGER PDF

In Nazi concentration camps, the will of Jewish prisoners was broken by stripping away their personal identification and giving them just a number rather than a name. Satan operates the same way, always trying to undo the faith of believers by twisting the reality of who they are as followers of Christ. Identity by young pastor Eric Geiger (coauthor of the multi-awarded national bestseller Simple Church) helps Christians clearly understand who they really are as defined by various Scriptures and unpacks the practical response that goes along with each wonderfully dramatic, empowering, and liberating truth. Readers will consider like never before the Bible's descriptions of God followers as priests, brides, servants, friends, aliens, and ambassadors. Both challenged and encouraged, they will discover their deepest self and greatest purpose in Identity.

a missing key to abundant life

By M. Dugas

As a Christian counselor this book is going to be a must read for all of my clients. So many Christians today are living defeated lives, frustrated with life and deceived by the enemy. Knowing who they are in Christ is foundational to any work that can be done towards living an abundant life. Eric Geiger presents this material in a way that the reader can easily apply these truths to life and transform their spiritual journey. Every Christian should read this book - it will transform lives and churches.

"Transformed by the renewal of your minds."

By William G. George

Eric Geiger has chosen an equally timely and timeless theme in "Identity", for it is out of our conscious identity and our less aware sense of self that we respond to God and all of life. His enthusiastic integration of his own "identity" shines clearly in his writing. His use of Christian scripture and the spirit of scriptural truths invite us to claim a deep sense of God's presence in the extraordinary, yet ordinary, events of our lives.

His working premise is congruent with Romans 12:1-2 ". . . be transformed by the renewal of your minds. . . ." He uses foundational scriptural identity themes as the focus of the book and ties them relationally to his own

life experiences. There are brief moments of confessional openness that remind us of how even sacred scripture may ring hollow until we experience God's grace and power through those who live out that specific scripture with us. Perhaps in another reflection he will more deeply "mine" this rich dimension of his faith journey.

A book for everyone

By Lance Pate

I found myself in every chapter of this book. As a former teacher my goal was to help students determine who they were and the difference they could make. I wish I had this book then! Geiger's writings were certainly informational, but they were keenly practical and funny (found myself reading passages outloud to my family and friends). This book is powerful for everyone, perfect gift for students/graduates and a great tool for any staff or team.
