JUST FOR NORO: COLOR PLAY DESIGNS (VOLUME 1) BY SHARON BATES PDF

This series of 9 designs has been created for Noro yarn. As a stitcher who is drawn to Noro for their artful colors and subtle blending of fibers, I had trouble finding patterns that were complimentary to me and that I didn't have to modify somehow to fit. Some were for models, some were too boxy or too short. Most had those striped colors around the garment. My mission for this book was to come up with projects that amplify the yarn and use it to compliment my figure. If you too are a "curvy lady" or just want to use Noro without horizontal striping, this book is for you!

Great Book

By lola work

Great book for all lovers of Noro yarns (and soon to be lovers). It gives patterns and ideas for using the colors to their best advantage

This book captured my attention because I love to try new stitch patterns with Noro yarn

By Knitaddict

This book captured my attention because I love to try new stitch patterns with Noro yarn. This is more of a self-published pamphlet with a few knitting patterns than a book. I bought this along with 200 Fair Isle Motifs: A knitter's Directory by Mucklestone, which was an excellent book with much more content for \$2 more.
