Review

"Maybe there are some things the universe doesn't want you to know yet." This was a quick read and so emotionally charged!! I'm a huge fan of J.R. Rogue's poetry so this collection of her work was stunning to read. I loved how much anguish you can feel just by reading her words. She's honest and incredibly lyrical. I loved this one. Will definitely be rereading. "I will write stories about how we lost each other. (because that's the part I will never get over. that's the part I know best.)" - Book Baristas

The definition of La Douleur Exquise is the heart wrenching pain of wanting someone you can't have, and this book from J.R. Rogue lives up to its title. The poems contained within the pages are heart wrenching, and soul consuming. They are real, and I felt all of the heart ache that Rogue pulled from the depths of her soul. I tried to pick a piece from the book that I could choose as a favorite, but the fact is that I found myself identifying with everything. There is not a poem in those pages that deserves more praise than the one before it. Every line written is as beautiful as it is painful, and I found myself constantly drawing from that pain. There is not one person on the planet that has never felt the feelings on these pages, and while reading it was a great reminder that we are never alone. There is always someone out there that has gone through similar instances. This is definitely one book that I will be going through time and time again. I have been a fan of Rogue's for quite some time and when the opportunity arose to review, I was completely all over it. As a lover of the written word, poetry has always been at the top. It's feelings in their truest form, and La Douleur Exquise captures all of the angst, and pain, and hope, and the lies you tell yourself when the love you give freely is not reciprocated. - All Is Read

I've been an admirer of J.R. Rogue's work for quite some time. When I heard she was releasing a chapbook of her poetry I was very much excited, but this set of work is completely different from what I've read before. It's much more real and raw. I felt like I was able to relate to each and every piece in this chapbook. If you're looking for something real and honest Rogue won't disappoint. She's put so much of herself into her work that I already feel like I personally know her. I am very excited to read future work by her. - Butthisbook

This woman and her words are beyond beautiful... I want to buy a bottle of wine & pour the author a glass while asking her not only, a thousand questions about her life, but also how she knows so much about mine as well. I related to every line in one way or another and I hope to see much more from J.R. Rogue! -Smutty

Beautifully heartbreaking

By VictoriaW824

“I cut myself down the middle.
one long incision.
the shock has me numb.
I cut out the love
that remains for you.”

Beautifully heartbreaking words! For anyone who has experienced unrequited love or who has had their heart shattered by love This is for anyone who loves poetry, or even if you've never read a single poem in your life. It's (currently)set as a great price for kindle, so get it now!

“there's un-forgiveness
climbing up your spine.
I had to go before it covered
your eyes.”

I discovered her because one of my favorite authors posted some of her work on Instagram. I immediately fell in love with the sadness in her words and was looking for more of her work. I was so excited when I found out she was releasing a collection of her work and immediately pre-ordered this. This surpassed all of my expectations! I can't describe the emotional puddle I become every time I read this.

“I think I can feel it
most days
in the in-between;
you spell my name in strange
ways- b l a m e.”

You can feel Jen's pain through her tragic words. It's amazing how intimate poetry can be, it feels like she gave us a huge part of herself. Her words read like a classic already. She is easily my new favorite poet of our time!!!

"I was forever falling
into you, even in the arms
of others."

Thought-Provoking and Genuine.

"For every lover who has tasted the unrequited kind, too many times."

Before I even began reading the poems, from just this line, I knew this would be a great read. I connected instantaneously and the poems that followed surely didn't disappoint. J.R. Rogue writes in such a raw, honest way - it's beautiful.

It reads like a journey, rather than a random string of poems. It's very cathartic, I was completely unable put it down - at the beginning, I related so strongly to that heartache, but by the end I wanted to feel that same release felt in the last poem. I love that it's honest, I love that it doesn't sugarcoat love as something that is always beautiful and perfect, but simultaneously still offers the hope that things will improve and we can stitch ourselves up and continue on. Highly recommend.

Emotive poetry for those who love and have once loved

By Holly

I'm a lover of the poetry J.R. Rogue shares for free on Instagram. I wanted to support and thank her for sharing her emotive words with us and purchasing this collection with the lovely, illustrated cover was definitely the way to go.

I thought I was going to read only a couple poems a day (ya know, spread them out a bit) but then I finished it in a day. No regrets lol. Although I will be returning to this collection again after I experience a heartbreak like these.

One of my personal favorite excerpts from the collection:

"I knew you were merely
a moment-man,
so I closed my eyes &
enjoyed the ones you
gave me."
