Great book, Good shape

By A. Fraser

This was for my husband who is fluent in French and a huge fan of this book. He loved it. Was worth ever penny for that happy little boy look on his face!

Classic title, classic quality

By Abigail E. Sawyer

Not only does this edition give my daughter an opportunity to experience a family favourite in French, but the exceptional quality of the paper brought back memories of how books smelled and felt way back in the dark ages (when I was a girl). Packaging could have been more careful -cover slightly damaged in transit.

French Teacher's Dream

By Maria C. Flick

This was purchased for a middle school French class, and my students love that one of their favorite stories as a child is offered in French for their enjoyment. This turned out to be a great way to encourage my

students to read for fun in French!
