Easy as 1, 2 3. Clear. Complete.

By Rob

Why have I never thought of doing this? I had always heard about people making money without really doing much. Now I understand what passive income is and how I can make money while I sleep, travel, lay on the beach... I am following the plan, but also decided to try a flip and have made an extra \$40K. I wish I would have read this 10 years ago. I'd be a multi-millionaire.
