NATIVE AMERICAN COURTING FLUTE BY JEFF BALL PDF

This manual teaches techniques on playing the flute for both the absolute beginner as well as the seasoned player. Along with the CD that accompanies this manual, readers will be able to learn the basic skills needed to play their flute.

The author describes the history of modern Native American Flute and includes the traditional legend of how it became an integral part of the courting ritual.

Also covered is maintenance of your flute, numerous graphs and illustrations of scales to practice, how to choose the best flute for you, song writing tips, practice songs and blank composition sheets. The instructional CD features samples of Jeff Ball's bestselling recordings. Beautiful color photos of both flute players and flutes accompany the text.

Good Book But VERY Basic Instruction

By D. J. Bradley

Not a bad book but it is very simplistic. It's almost to the point of "You blow gently into the pointy end and sound comes out the other end". The lessons are very basic and are easy to follow furthermore the accompanying CD allows practice time in each track so that the student can hear what the concept being taught should sound like then the student can practice it a time or two and then hear it again from the CD.

There are some additional songs included on the CD just for listening and they are quite good. The instruction is basic and easy to follow. If you have never played a Native American Flute (NAF) at all then this is a good place to start. If you have played a NAF for more than a couple of hours then the book Understanding The Gift is probably better suited to your needs.

If you're undecided then buy this book and listen to all the tracks on the accompanying CD. You can't go wrong.
