I kept steering harder to the right. But the rudder couldn't overcome the force of the wind. Thirteen tons of steel struck a gleaming SeaRay broadside. Stainless steel tubing shattered like shrapnel. The remains came back to earth in slow motion; the clatter on the deck returning time to normal. The boat slid off and back from her victim like a dismounting bull."Damn it! I'm sorry

NEVER A DULL MOMENT and I hope for a sequel...

By J. Foster Fanning

If you've an interest in the sea, boats, the world in general or just an entertaining story NEVER A DULL MOMENT is a book for you. Author J Duncan Gould has an enjoyable manner of making us laugh as we grip the edge of the seat in what could otherwise be a harrowing situation. Thru ingenuity, positive energy and a bit of luck he and his Dutch wife Irene navigate a heavy displacement, steel sailing vessel, MOOSE on a circumnavigation of the globe. NEVER A DULL MOMENT puts you in the cockpit and at times on watch with this globe-trotting couple and their adventures. I enjoyed the book a lot...
