Simply magic!

By Skipperoooney

This book found its way to my hands in 1992. It is astounding...and simply magic! Countless times I would read the message for the day and it provided the perfect guidance for things that were happening in my life. It's a great book and a great gift. Plus if you travel a lot it does not take up much space at all and can be a constant companion. Thank you, dear Eileen Caddy, for such a jewel!

Excellent daily meditation book.

By roselaura@worldnet.att.net

This book has been by my side for over 5 years, traveled half way around the world, and never ceases to amaze me with how timely it is. I've made tiny notes in the margins and can track my progress in life. It is a very life-affirming and self-validating book.

Opening Doors Within: 365 Daily Meditations from Findhorn

This takes me back to words my own Mother would offer. Always pointing back to faith and hope and commitment. Not a bad place to put your feet in day to day choas.
