The Best book for BJJ of All levels

By B. Shamford

No book is a substitute for solid instruction. But this book can make every time you step on the mat more effective. The biggest difference between this book and others is the abundance of pictures and the words are presented in such a way that you could adapt the move to slightly different situations. Another thing that makes this book so effective is acknowledging what your opponent is likely to do and how to combat that. As a white belt just seeing what an upper belt might do when faced with these passes is also helpful. Each section is relatively short and comes with a big flow chart type of map that summarizes what you can do from just about every position you find yourself in and what page to refer back to for more detailed instruction on how to get out. As the title suggests the content is mostly about how to pass the guard and a secondary focus is given to submissions, but other positions are covered to a lesser degree in this book as well. If you

want the same great format and instruction level but are looking for submissions I would suggest their second book "The Guard"

"GREAT BOOK"

By john david

"THIS BOOK IS AWESOME.....AS A BEGINNER STUDENT THIS BOOK HAS HELPED ME A LOT ESPECIALLY IN FACING THE NUISANCES OF PASSING AN ADVANCE PRACTITIONER'S OPEN GUARD"...THIS BOOK IS VERY DETAILED AND WELL ILLUSTRATED..DEFIINITELY A MUST HAVE FOR THE STUDENT THAT WANTS TO QUICKLY BREAK THROUGH HIS OPPONENTS LINE OF DEFENSE AND AQUIRE THAT DOMINANT POSITION.

Mars

By Marsjimim

The same review as "The Guard". If your a serious practitioner of BJJ you shouldn't be without this book. The details that are sometimes overlooked in a formal venue are depicted in this book with words, pictures and graphics. A well made BJJ book that will help a novice, expert, student or teacher.
