You could not find the challenging site that order to do even more. So, the method for you to get this Roman's Redemption: Roman: Book II (Roman's Trilogy 2) By Kimber S. Dawn will be so simple, won't you?

## **ROMAN'S REDEMPTION: ROMAN: BOOK II (ROMAN'S TRILOGY 2) BY KIMBER S. DAWN PDF**

I once told you, "Every sin I commit, every life I end, every soul I purchase, I do so to watch in gratifying amusement as it fades out. I've taken these lives with whole and complete intentions of watching my sins and transgressions affect and alter the life of others."

I'm afraid those words no longer hold even a thread of truth.

The man you once knew is now nothing more than a ghost.

The blood staining my hands is no longer a consequence of my amusement.

I have become pure evil. The blood you see is the result of my visceral need to hinder the torment and desolation left in my wife's wake.

If you are foolish enough to believe all men are worthy of redemption, even those of us born evil, take my hand and allow me to show you what I believe about Redemption.

For this is, after all Roman's Redemption.

Honest Review

By Romance Readers Retreat

5 amazing, mentally disturbed Stars

Let me start by saying for those of you who focus solely on the fluffy romance books, with a happy ever after, this book is more than likely not for you. However, for those who are fans of dark reads (and let me tell you I thought the first book was the darkest book I'd ever read) then prepare to be taken on one hell of a journey, because this second installment is hands down the darkest book I have ever had the pleasure of reading.

I can say with absolute certainty there is not one character in this book, other than Ivy (for now), who is not warped in some way. If you were to read about these characters in real life, if this story was to appear in the news, you would be hoping and praying that they were caught, convicted and thrown in a maximum security mental facility, never to be heard of again.

However, as is often the case in the fictional world, you may find yourself actually liking one or two characters and despite me hating Roman with a vengeance in book one, I found him to be almost loveable in this book, although I really do use that term loosely.

As a fan of pretty much all genres of fiction, It is not often that I am shocked and haunted by scenes, even

ones of torture, so let me put it into context. Certain scenes in this book literally had me scared to read any more. If I could have dived behind the sofa, because I was too afraid to read on, I would have. I winced and squirmed through so many scenes in this book.

Some may wonder why anyone would want to read something like that and in all honesty, I can't tell you, but Kimber S Dawn, as lovely as you most likely are, you have one twisted imagination and made me feel things and have empathy with characters I shouldn't have and that is why I loved this book. Yes, I enjoy a hearts and flowers kind of romance, but sometimes you just need a book so dark, you wonder whether you will be able to come out the other side and quite frankly I don't think I did.

A new level of dark and twisted

By Ashley Lighthizer

Roman's Redemption held a lot of promise in the title. I had very mixed feelings from the first book, and took a lot of time to process the outcome. While waiting for this follow up to release, I enjoyed the teasers and was excited to find out more about Mace and her role in the story. Despite my background in dark and twisted books, I was not prepared for Mace's story.

This storyline does have all the components of a dark erotic novel. Being in the mind of several dark minds caused me to put this book down a lot! It was something I couldn't read in a few days. I felt the story was a bit choppy, but it could be because I was reading it in sections at a time.

This book does end in a slight cliffhanger, but I am told by the author that the next book will be focused on a different couple. I hope we will be able to wrap up Roman & Heather's story in that book.

Will I read it? Probably. I'm curious enough to need the outcome of their story.

I gave this book 4 out of 5 stars because it does follow the criteria of its genre. As a blogger, I try not to let so many personal opinions get in the way when I'm on the fence about content. I do love this author and will continue to read her stories.

Dark and twisted and...

By Kindle Customer

...not in an erotica way. This had some sick and disturbing scenes in it so beware. It was definitely more hardcore than book 1 and that's saying something. I enjoyed it but I did feel that, at times, the story got away from the author. There was a lot going on... lots of side stories. It didn't take away from my enjoyment but gave the book kind of a crazy train feel. Don't know, maybe that was the point.
