SHOW, DON'T TELL: A WRITER'S GUIDE BY WILLIAM NOBLE PDF

If one hears one thing from every single writing instructor it's, "Show, don't tell."

"Don't tell us he's afraid of losing her, show us!"

"Don't tell us it's a richly decorated room, show us!"

"Don't tell us the Russian tundra is cold, show us!"

Easier said than done, and no one ever wrote a book on how to do it, that is until William Noble wrote this classic work a decade ago.

From the use of dialogue to employing melodrama to developing incidents and anecdotes, Show Don't Tell explains how to entertain your readers instead of lecturing to them.

Written in Noble's absorbing voice, Show Don't Tell illustrates how to develop a dramatic framework using similes and metaphors, a focused point of view, steady pacing, increasing tension, and an appeal to the senses to create solid dramatic impact. In other words, how to show, not tell!

Perfect for novelists, short story writers, and those interested in writing creative nonfiction.

Yes, but how's it done?

By Clifford Thurlow

The hardest thing for a writer is to show not tell - great title, but the author in this slender book has failed completely in showing how it's done. This is my take.

Tell: Amber was a very beautiful woman, tall and elegant. Men couldn't take their eyes off her.

Show: As Amber entered the bar, every woman turned to watch her.

Tell: John was a violent man and Mary had the bruises to prove it.

Show: Mary heard the car pull up outside and looked round the kitchen to make sure everything was tidy. John hated mess. She took a cold beer from the fridge and glanced at herself in the mirror. The bruise under

her right eye had almost healed.

A How To Book for Writers

By George W. Newport

The Guide tells of how to make writing work to make it more sellable. It is one of the many facets of the writing world which one needs to know to become successful.

It was okay.

By Casey

I felt many parts were too vague, and liked a competitor's book better. It gave more examples for reader's to envision the concept being explained.
