Wonderful Inspirational Read -about the most towering spiritual giant of the 20th century!!

By Carl Thompson

One of the best books I've read on my guru Sri Neem Karoli Baba Maharaj. Fascinating! Baba really comes through this book. A must for any devotee or anyone curious about this Great Saint, who was addressed simply as "Baba" (Father) or "Maharajji" (Great King)

Baba left his body on 9/11/1973 but his fame continues to grow, bringing more and more new devotees into the sangha.

Maharajji has never been more present to those who love him and ask for his help than he is today in 2015
