Concordance to the BIG BOOK of AA

By Christina\*

My sponsor told me to start reading the big book. Circling all words either I didn't understand or needed clarification for how they were used in a particular sentence. Then I am to write the definition of these words, in pencil, in the margins of the pages. This concordance has been a lifesaver. Because it is particular to the BB of AA, the definitions are relative to how they are used. I don't have to read three definitions before I find the one that I THINK fits. Thank you!
