Penguin presents the unabridged, downloadable audiobook edition of Diary of a Wimpy Kid: The Long Haul written by Jeff Kinney.

A family road trip is supposed to be a lot of fun . . . unless, of course, you're the Heffley's.

The journey starts off full of promise, then quickly takes several wrong turns. Gas station bathrooms, crazed seagulls, a fender bender, and a runaway pig-not exactly Greg Heffley's idea of a good time. But even the worst road trip can turn into an adventure-and this is one the Heffley's won't soon forget.

+ Witty & Clever!

By Bassocantor

DIARY OF A WIMPY KID: THE LONG HAUL is book number 9 in the series. The author, Jeff Kinney, continues his insightful wit, accompanied by cutting edge (if not exactly award-winning) artwork. The artwork is a cross between a Gary Larson cartoon and Scott Adams of Dilbert fame.

If you remember where we left Greg Heffley the last time we saw him, Greg was dealing with losing the attention of his best friend, Rowley Jefferson. That book ended with Greg leaving Rowley Jefferson hanging around the "Find a Friend station." In this installment, THE LONG HAUL, the Heffley's go on vacation. But it's a vacation like none you've ever seen before. Get ready, because in this vacation we will NOT be traveling with Ward and June Cleaver. This vacation does NOT include Wally and the Beaver.

Right off the bat, the Heffley's journey takes a bad turn. Naturally, they are stuck in traffic for a long time. Alas, dad gets really nervous around high bridges: "The bridge to the beach was one of those kinds that's really high above the water, and I'm sure dad wasn't looking forward to being stuck on it for the next half hour." But that's not the worst part. Somehow, a seagull ends up INSIDE the Heffley car, flying around, looking for Cheeseits. It's complete mayhem! Perhaps the best sketch in the entire book is the illustration of the seagull flying around the car.

Here's WHY this book is so funny (and why all the books in the series are so funny): The author writes about

what ACTUALLY HAPPENS (or comes close to happening) in our family trips. The reason we laugh so hard at these diary entries is that we see OURSELVES here. The accounts hit very close to home--at least for me.

√ All in all, DIARY OF A WIMPY KID: THE LONG HAUL is a hilarious, fun read. The artwork, by itself, would not win any awards, but in conjunction with the text, it's excellent, and adds to the fun. Where does Jeff get the idea for drawing these bizarre creatures that pass as humans?

Recommend!

Hysterical!

By Gryphon50

this is not just a great kids book, it makes adults laugh too. I bought it today, downloaded it to my kids' kindles, they immediately read it, then they wanted me to read it to them also. I laughed out loud numerous times over the ridiculous situations in the book. I highly recommend this whole series to anyone who wants to get their kids to read.
