Miracle Universal Psychic Power

By Taysha

This is perhaps the easiest/best book (even though it has a copyright date 1yr older than me) on energy, chakras, and intentional thought (including 'how to's' on symbolic magic) that I have ever found in one book. Have sent a copy to 7 friends so far- 3 more copies planned as Christmas presents. Highly recommend to energy-sensitive people!

Great Book

By Amazon Customer

Al Manning was an incredible and powerful being. In this book, as in his many others, Al gives solid techniques and easy to follow instructions on how to build and eventually master Universal Psychic Power.

He certainly did so, and he beckons to us all, his audience, to follow his lead. He demystifies this "science" and makes it accessible to the masses. A real winner for the right mind.
