THE REAL COWBOYS & ALIENS: UFO ENCOUNTERS OF THE OLD WEST BY NOE TORRES, JOHN LEMAY PDF

When you first saw this book, you probably assumed it was fiction, right? Wrong! As it turns out, America's Old West cowboys did encounter UFOs and also creatures that they believed were "aliens." This happened not in comic books and films but in real life. In this revised 2nd edition of our book, you will read actual eyewitness accounts describing strange objects seen in the skies, and, in some cases, the even stranger occupants of those UFOs! Did you know that many years before the reported crash of a UFO near Roswell New Mexico, another weird object fell out of the sky in Aurora, Texas, in 1897? The citizens of Aurora said the dead pilot was "not of this world," and they buried him in the local cemetery, where he may still remain today. You will also learn about the flying alien monster of Crawfordsville, Indiana; the "underwater UFO" that electrocuted two men near Tacoma, Washington; a Bigfoot creature the local Native Americans said came to earth in a "small moon;" a UFO that exploded over a Texas cotton gin; and many other bizarre UFO encounters of the Old West! Artwork is by award winning illustrators Neil Riebe, Jared Olive, and Joe Calkins.

Could have been good, but....

By Ole Jonny Brænne

I agree with one other reviewer here, that the book seems to be written for children, not for adults.

Many of the illustrations are generic and seem unnecessary space-fillers.

The authors could have made this into a great and useful book, by giving us the whole original story, and then a summary of the investigation and analysis being done so far by investigators.

Instead they decided to perpetuate the myths and hoaxes - sad indeed.

If you are looking for an objective review of old west UFO reports, you need to look at Kevin Randle's History of Ufo Crashes or Chris Aubeck & Jacques Vallée's Wonders in the Sky: Unexplained Aerial Objects from Antiquity to Modern Times.

I purchased two of these books. I met the author and he autographed them for me. I gave one to my brother with the movie "Cowboys & Aliens" so he could compare the ridiculousness of the movie! "The Truth is Out There!"
