Unearthing: Limited Edition Oversized Hardcover By Alan Moore, Try it and also show it.

UNEARTHING: LIMITED EDITION OVERSIZED HARDCOVER BY ALAN MOORE PDF

- One of the world's foremost authors of the fantastic, Alan Moore, joins internationally esteemed photographer Mitch Jenkins for an unprecedented visual and literary experience. An intensely poetic and innovative work of biography, *Unearthing* maps the lifetime of author, orientalist, and occultist Steve Moore, while simultaneously investigating the extraordinary history of South London with which that life has been intertwined. Integrating text with haunting and exquisite imagery, *Unearthing* excavates a territory at the margins of a city, of reality, and of human imagination.
- Starting life in Iain Sinclair's seminal anthology *LONDON: City of Disappearances*, this dazzling and hypnotic piece has evolved through a series of live performances and acclaimed recordings, culminating in this breathtaking, full-color volume.

Alan Moore and Mitch Jenkins's jazz

By Zach Robinson

I found this book troubling in that it challenged my expectations of an Alan Moore work. This is almost free form literary jazz over the life of Steve Moore. The photography is top notch excellent. The story is winding and unconstrained with only really the final few pages settling back down into a typical narrative - and even that narration is decidedly unsettling.

This is something I had to read twice: once I read it thinking I was reading the usual unusual Alan Moore work, and that reading was failing me (or I it). Then I went back to it trying to feel the rhythms, to experience it rather than to "read" it, and I liked it a lot more. I've heard parts of Alan's musical version of this book: I feel like the two together would make for an excellent experience.

It's an extremely interesting piece. I don't think it's for everyone, but is marvelously well done.

FWIW: I bought this in the Oversized Hardcover edition: while it was gigantic, I would believe that that the paperback normal sized version would do a huge disservice to this piece. If you want this, spend the extra ducats and get the oversized hardcover edition.
